Cut and Paste Shape Match

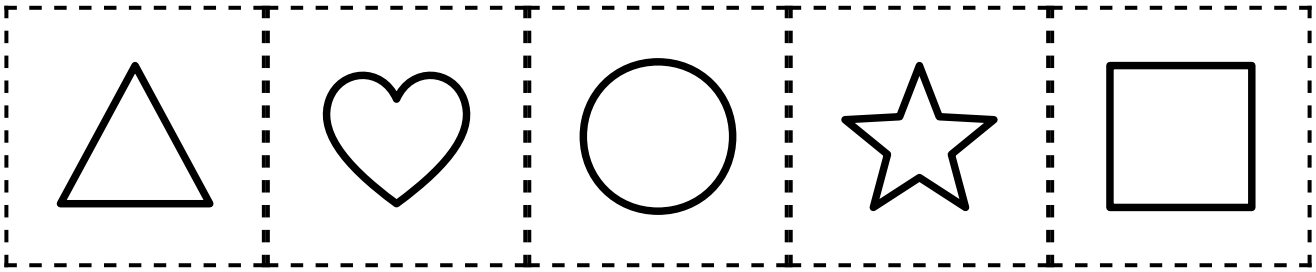

Name _____ **Date** _____

With a grown-up, cut out the shapes at the bottom. Glue each one on the box with the same shape.

Glue here

✂ **Cut on the dashed lines. Color your shapes first if you like!**

★ COOL FACT

The Sun is a **star**. It looks bigger than other stars because it is so much closer to us.

★ COOL FACT

A **hexagon** has 6 sides. Honeybees build their honeycomb out of hexagons.
