Homeschool Packets

Attendance Log

2026-2027
homeschoolpackets.com

Sample Student

Grade 7 · Running attendance for weeks completed so far · Generated for Homeschool Packets families

About this log. Many states ask homeschool families to keep attendance records. Prefills show the subjects and estimated minutes from each weekly packet. Tick each day your child worked and add your initials. Edit freely — every field is for you. Check your own state's rules; this is not a legal form.

Week 1 · 2026-11-10 – 2026-11-14

Day	Subjects (about)	Min	Done	Initials
Mon	Math ~50m, English ~45m, Science ~30m, History ~25m	~150	☐	
Tue	Math ~50m, English ~45m, Science ~35m, History ~25m	~155	☐	
Wed	Math ~55m, English ~45m, Science ~30m, History ~25m	~155	☐	
Thu	Math ~45m, English ~50m, Science ~30m, History ~20m	~145	☐	P
Fri	Math ~45m, English ~45m, Science ~20m, History ~30m	~140	☐	P

Totals so far

5 days marked present · **12.4 h** estimated from packets delivered (plan time)

Subject	Hours
Math	4.1 h
English	3.8 h
Science	2.4 h
History	2.1 h
