Sample Questions — Answer Key · Grade 7 level · One question from every Homeschool Packets subject.

1. Math

Answer: $30 (25% of $40 = $10; $40 − $10 = $30).

2. English

Answer: sarcastic — it describes the pencil.

3. Science

Answer: Earth's axis is tilted about 23.5°, so each half of the planet gets more direct sunlight during part of the year.

4. History

Answer: The Declaration of Independence.

5. Spanish

Answer: Me gusta jugar videojuegos.

6. Art

Answer: Green (a secondary color).

7. Coding

Answer: 0, 1, 2 — each on its own line (`range(3)` yields 0, 1, 2).

8. Life Skills

Answer: Save **$10**, spend **$40** (20% of $50 = $10).
